DEPARTMENT OF LABOR STANDARDS

Currently Certified Asbestos Project Monitors

AS OF 5/17/2018

List Ordered by Last Name

Certification as an Asbestos Project Monitor authorizes the consultant to function as the on-site representative of the facility owner or other persons, interpret project specifications or asbestos management plans and monitor and evaluate contractor or employee compliance with applicable rules, regulations, or specifications, including collection of the air samples at asbestos project sites.

The Licensed Asbestos Project Monitors listed below are those who have agreed to have their information distributed. It is not a comprehensive list of all Licensed Asbestos Project Monitors in Massachusetts.

ID Number: AM001763	Expires: 7/5/2018	

The certification information of the above-listed Asbestos Project Monitors is updated monthly. While most project monitors renew their certification on or before the expiration date of the certification, DLS recommends that you call our office at (617) 626-6960 to verify a project monitor's certification status prior to engaging a project monitor.
